KNUCKLE BOOM CRANES

PALFINGER offers the most durable knuckle boom cranes, with a wide range of models to suit various working capacities. Our cranes are fast, efficient, precise, lightweight, and feature market-leading safety systems for high performance across diverse jobs. Every **PALFINGER** crane includes KTL Protection, superior hydraulics, and other unique features for unmatched reliability.

TIMBER & REFUSE LOADERS

Our complete range of **EPSILON** grapple loaders comes in three boom styles—A-line, L-line, and Z-line—offering various configurations. Designed for ease of use, comfort, precision, and speed, **EPSILON** loaders by **PALFINGER** are the most durable and agile truck and trailer-mounted loaders in North America. With fast movement, precise control, and exceptional strength, **EPSILON** loaders deliver unmatched performance and durability on the job.

TRUCK-MOUNTED FORKLIFTS

The **FHS** and **FHC** Series of **PALFINGER** truck-mounted forklifts combine advanced safety features, superior ergonomics, and a stylish design to enhance operator comfort and performance. With increased power and performance, along with easy-access service points, these forklifts are built for maximum efficiency and reliability on every jobsite.

SERVICE CRANES

Our range of Electric/Hydraulic and Hydraulic Service Cranes, with capacities up to 14,000 lbs., meet or exceed **ASME** and **OSHA** standards. As the industry's only e-coated telescopic cranes, **PALFINGER** Service Cranes offer the best rust protection available. Pairing a **PALFINGER** Service Crane with a **PAL Pro** Crane Body creates the ideal mechanics truck crane package.

MECHANICS TRUCKS

PAL Pro Mechanics Trucks by **PALFINGER** are engineered to withstand the forces of a service crane while serving as an efficient mobile workshop for equipment service providers. Paired with a **PALFINGER Service Crane** and Compressor, these trucks are a powerful and versatile addition to any fleet, large or small.

Our crane bodies are treated with e-coat protection, providing superior corrosion resistance, and ensuring long-lasting durability, even in the harshest environments.

Experience the PALFINGER Difference

Contact PALFINGER today and discover how our expanded One-Stop Shop experience and best-in-class parts & service can help drive your business forward and engineer your success.
