Dear Sir or Madam,

## YOUR ENQUIRY FOR A PALFINGER ACCESS PLATFORM

Thank you very much for your enquiry and your interest in our products and services. We are pleased to support you during the evaluation process to find the right access equipment for safe operations in heights. Based on the information we received we are glad to provide you with a non-binding quotation for:

### **PALFINGER Access Platform P 300 KS mounted on MAN TGL 8.160 4x2 BB**

PALFINGER stands for the most innovative lifting solutions at the highest technological level. With PALFINGER Access Platforms you invest in safe and reliable height access technology that is of outstanding quality.

PALFINGER is the only manufacturer in the world offering both non-insulated and insulated access platforms reaching working heights from 10m to 103m for chassis weights between 3.5t and 60t GVW. PALFINGER Access Platforms are thus optimally adjusted to the relevant working range.

We always strive to provide the best service and support to our customers. So in case of questions or remarks please do not hesitate to contact us. However, we are convinced that our quotation will meet your expectations and take the liberty of contacting you in this regard.

Yours faithfully,

**PALFINGER PLATFORMS GMBH**
